

January 10, 2026: For the Record of the Pride I Now Feel Inside

I am so very proud of myself for being a person that had the courage to stand up to Donald Trump and his evil plot for power.

As I experience the full depravity of their evil operations, and experience how maniacally petty they have become at attempting to cause pain and anguish in my life, I am here to express right now - in the heart of their hell - that I am so very happy that I exposed them for what they truly are.

Donald, 'America First', 'MAGA', whatever title you want to put in front of your threatening ways: YOU ARE DONE. YOUR OPERATIONS ARE FAILING. YOU ARE THE FART NOISE BEING LET OUT OF A DEFLATING BALOON BABY.

DO YOUR WORST AND I WILL CONTINUE TO LAUGH AND LAUGH AT WHAT CHILDISH LOSERS YOU ALL TURNED OUT TO BE!

You really expect any of this to 'change my mind' and start supporting you? You are a fucking idiotic and demented old fool, aren't you?
